TO WHOM IT MAY CONCERN

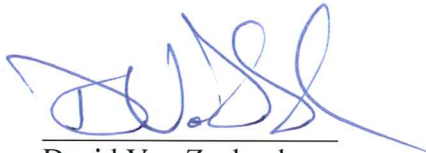

In relation to LeRoy International Sdn Bhd's product 3R Flex, this is to certify that LeRoy International Sdn Bhd has been using GELITA's Collagen Hydrolysate in their product since the product 3R Flex was first developed. LeRoy International Sdn Bhd has been supplied by GELITA directly and indirectly over this period. Currently GELITA supplies the Collagen Hydrolysate directly ex Germany.

The product which has been used by LeRoy International Sdn Bhd since 3R Flex was developed, is produced in GELITA's German facility.

GELITA now has entered into an arrangement whereby LeRoy is supplied exclusively by GELITA. In turn, GELITA provides LeRoy with support regarding Collagen Hydrolysate and joint health. GELITA provides information to LeRoy from their many extensive research and studies carried out at various institutes and Universities. GELITA also has our own research and development team which is dedicated to studying the benefits of Collagen Hydrolysate in regards to joint health.
